1. Executive Summary

During the month of **June 2025**, I facilitated two learner groups under the Coxygen Web3 program: **G008-c** and **G010**. I delivered structured sessions covering orientation, practical tasks, quizzes, wallet setup, and platform navigation. While G008-c faced full dropout by mid-month, G010 remained active with consistent learner participation.

In addition to facilitation, I participated daily in **Timezone B** live sessions and contributed to project development and documentation initiatives within the program.

2. Group G008-c Report

Group G008-c began with two learners:

- **Michael**, who transitioned to the Nigerian group.
- **Neo Ndlovu**, who paused participation due to academic priorities.

Date	Topic Covered	Attendees	Remarks
June 4	Chapter 2 – Practical Task	Neo Ndlovu	Session completed. <input checked="" type="checkbox"/> Screenshot available
June 11	Chapter 1 Quiz	Neo Ndlovu	Learner engaged and completed quiz
June 13	–	None	Learner unavailable
June 18	–	None	Neo confirmed his withdrawal

3. Group G010 Report

Group G010 was newly onboarded in June and showed strong engagement and retention. Learners were guided through wallet creation, practicals, and quizzes. Sessions were structured to support hands-on learning and platform familiarization.
