Meetings:

FreeConferenceCall Sessions: I intervene almost every day outside of organized conferences, by WhatsApp or by call to help learners or explain lessons or exercise

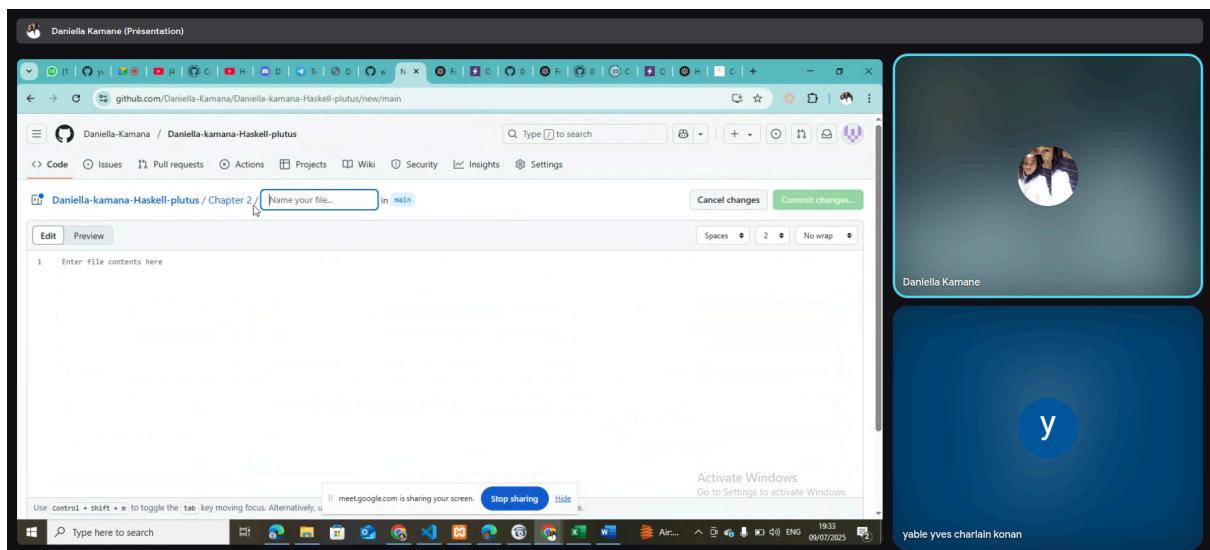

Google Meet sessions:

Sessions with the university in Ivory Coast

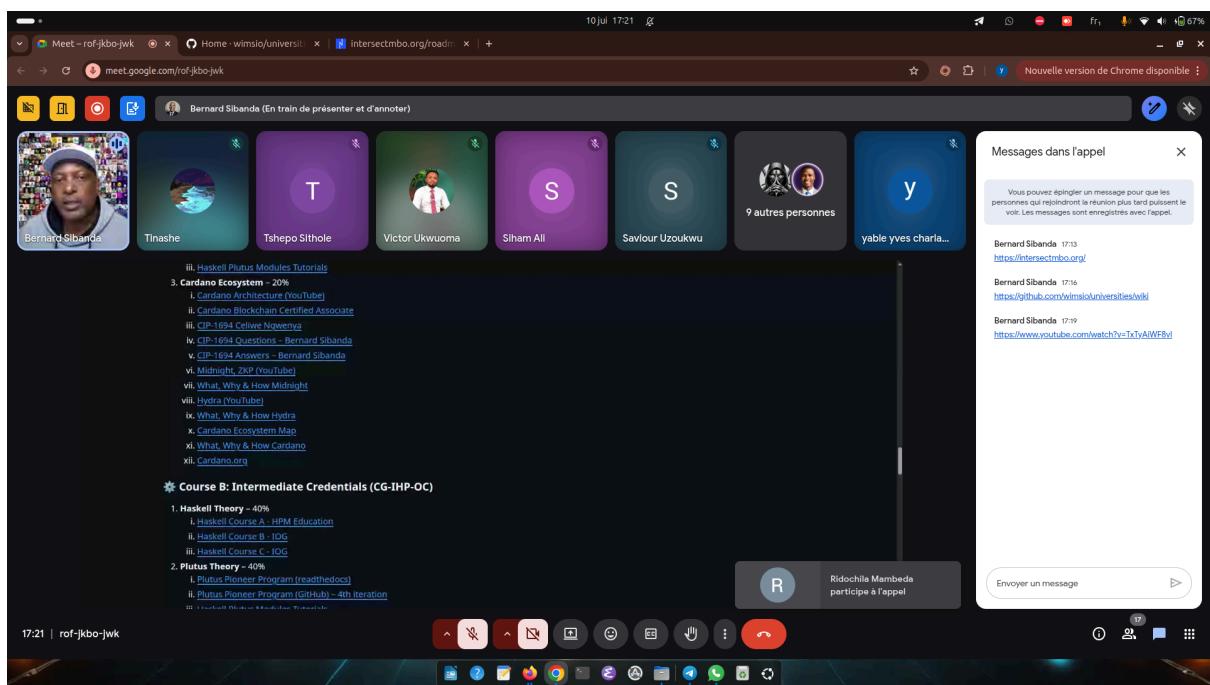

7/4/25, First meeting with learners from Ivory Coast 6:00 p.m. - 7:00 p.m

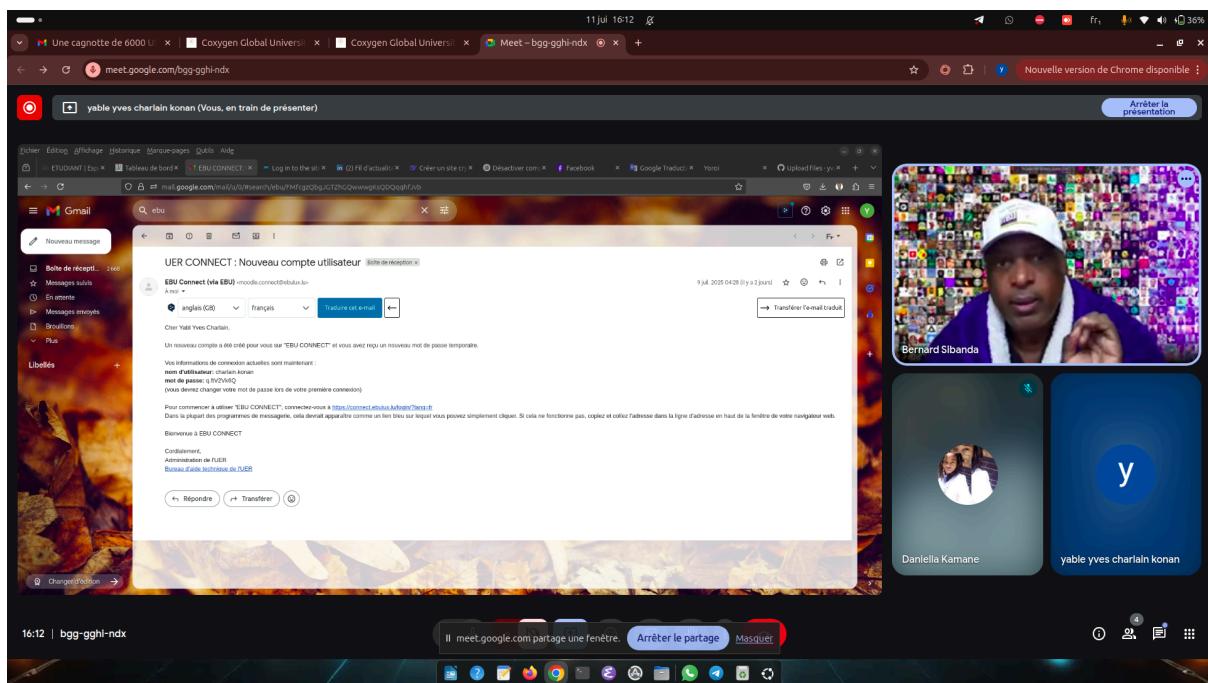

7/9/25, Second meeting with learners from Ivory Coast 5:00 p.m. - 6:00 p.m

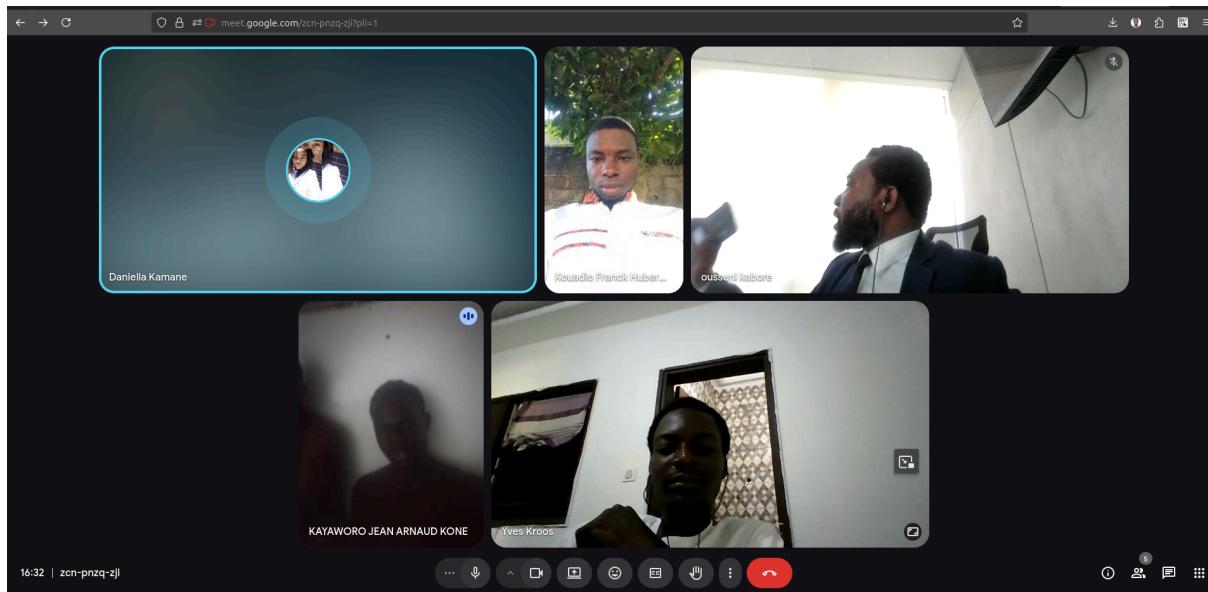

7/10/25, Third meeting with learners from Ivory Coast: explanation of chapters 1 to 4 of Haskell, 5:00 p.m. - 6:00 p.m

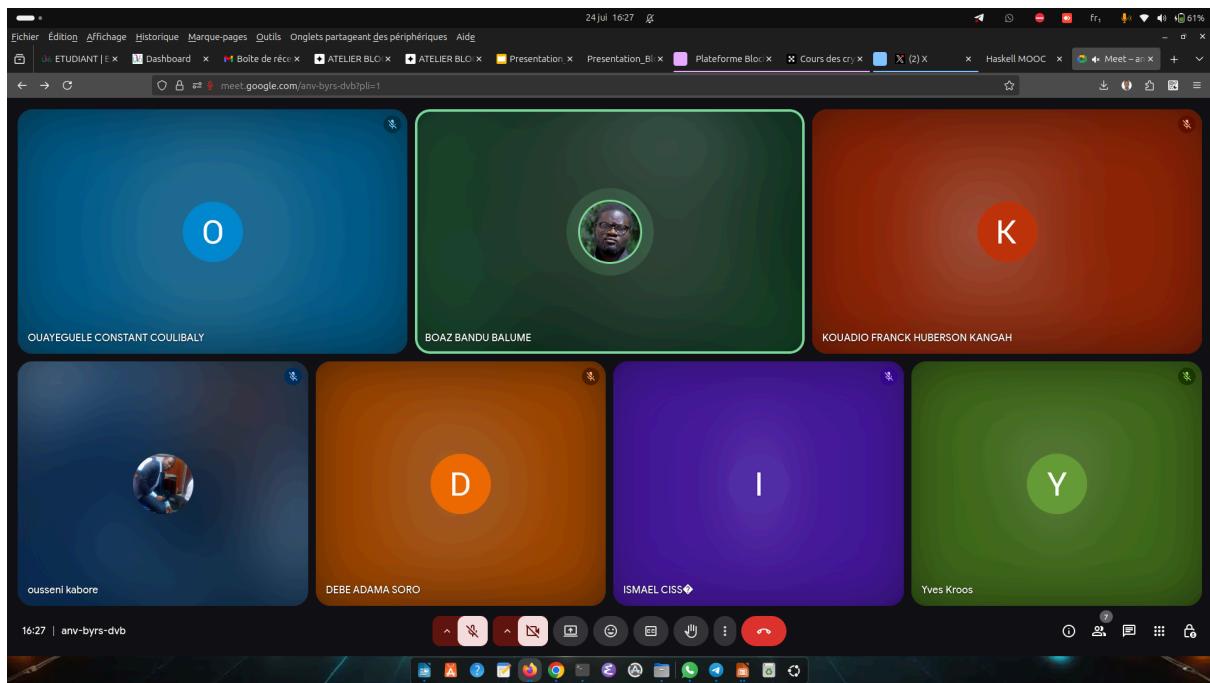

7/11/25, session with Mr. Bernard for registration at EBU University from 4 p.m. to 5 p.m

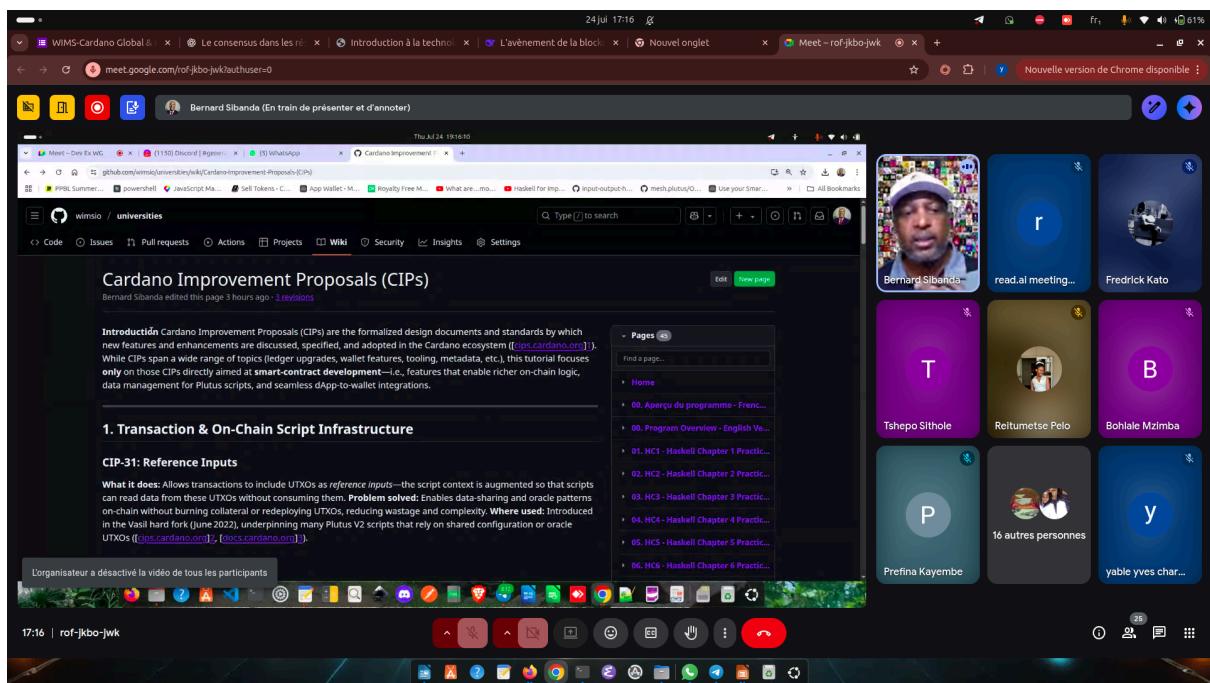

7/15/25, Session with Maman Danielle for participant verification by video from 4 p.m. to 5 p.m

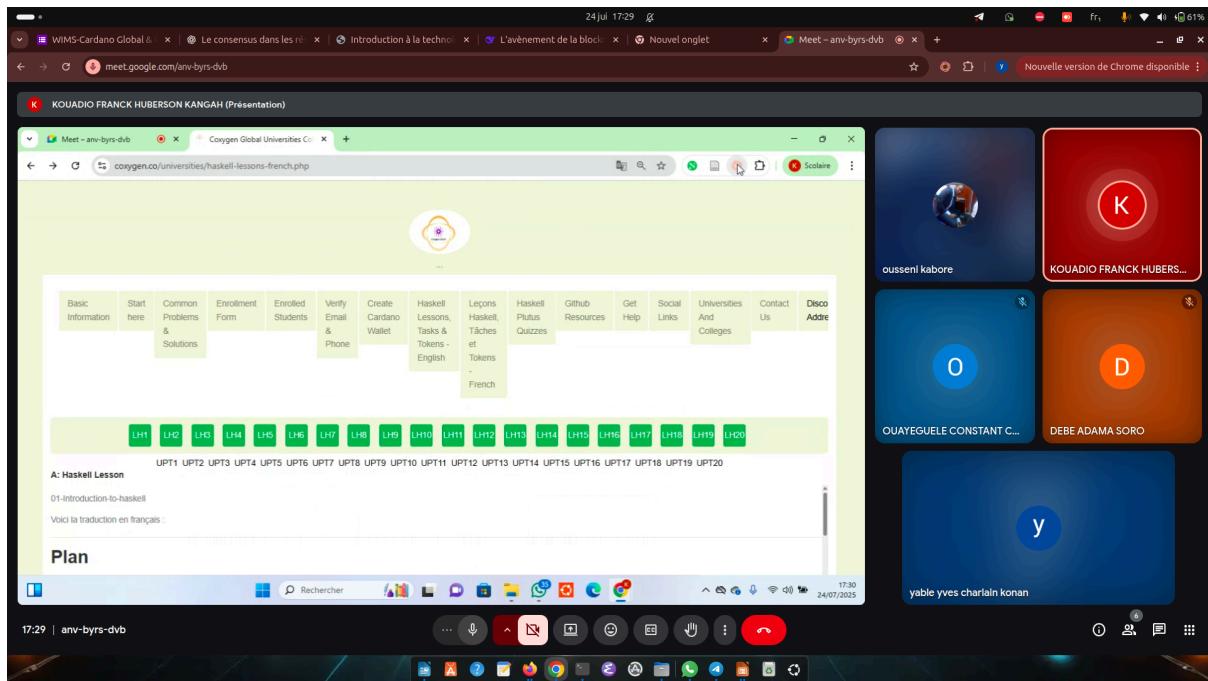

7/19/25, enrollment of new people on the platform and creation of wallets from 4 p.m. to 5 p.m.

18:00 PM-19:30 PM-First Live session meeting with Mr Bernard S and Gender chain

session with learners to explain the new features added to the university website and how to submit exercises and quizzes from 5 p.m. to 7 p.m

Developer Session

Haskell Plutus:

1. Completed Haskell Plutus Quizzes from Chap 1-15
2. Completed Haskell Plutus Tasks Chap 1-15

App testing:

- I created two game programs in Haskell that put into play what I learned during

GitHub contribution:

- Asset-management Mobile App
